

GISLEHAM PARISH COUNCIL

Minutes of Planning Committee Meeting held on Monday 22nd April 2024
at The Village Hall, Gisleham at 7.00pm.

Present: Mr P Gillott (Chairman), Mrs M Boon, Mr R Dexter, Mark Lanham,
Mrs L Spendlove and Mr R Stonehouse.

In Attendance: Mr D Ward (Parish Clerk)

1. **To receive and accept apologies for absence.**
Apologies were received, and approved, from Miss R Moffatt
2. **To receive declarations of interest relevant to items on this agenda.**
No pecuniary interest was declared, in relation to these items.
3. **To consider representations from the Public**
No members of the Public had attended.
4. **To consider the following Planning Applications:**

4a) **DC/24/1166/FUL**

Proposal: Installation of Electrical Vehicle (EV) charging upstands and associated infrastructure including CCTV, bollards, substation. Underground cabling and all associated works.

Address: Tower Retail Park, Tower Road, Gisleham, Lowestoft NR33 7NG

Councillors considered the Application and asked that the following comments be considered by East Suffolk Council when determining the Application.

1. It is expected that those using the facility will increase pedestrian traffic across the adjacent road. It is suggested that consideration be given to making the crossing point at the Southern end of the mini-roundabout, to Morrison's, more visible.
2. Assume all cabling will be on site and not on adjacent public highway.
3. The presence of the CCTV may assist in monitoring the unsocial behaviour experienced on the car park but there is no indication of what areas will be covered, or who will monitor the recordings.

Councillors recommended the Application be APPROVED

4b) **DC/24/0972/FUL**

Proposal: Addition of window at first floor level on side elevation of Unit 23

Address: 21 -23 Barley Way, Gisleham, Lowestoft NR33 7NH

No adverse comments were received.

Councillors recommended the Application be APPROVED

Signed.....Vice Chairman.....Clerk Date.....
